

MANAGEMENT TEAM

MAJOR (RETD)
MD. ZAFRUL HAQUE, PBGMS, PPMS
CHAIRMAN

Decorated former military officer with over 30 years of experience in security operations, facility management, intelligence, and investigative work. His leadership and expertise in assembling teams with complementary professional skills makes him well-suited to guide the company's strategic vision.

MD. SAYEDUR RAHMAN KHAN
MANAGING DIRECTOR

An accomplished security professional with over two decades of experience managing security operations for major multinational corporations and local companies. His skills in assessing risks, developing robust security protocols, and motivating teams have helped significantly enhance security services. He excels at collaborating with clients to understand concerns and provide customized security solutions.

A.S.M REZAUL KABIR
VICE PRESIDENT- OPERATIONS

Expert in security services and marketing, with significant competence gained from working in the core security field at major multinational and local companies. Known for facing high challenges with tireless energy and solving problems through sensible solutions

SQUAD 24 SEVEN LIMITED

Happy Guard. Safe Client.

MISSION

Our mission is to deliver unmatched security and facility services that provide complete peace of mind to clients nationwide. We achieve this by:

- Understanding each client's unique needs and constraints to tailor optimal solutions.
- Building strong, long-term partnerships through clear communication and responsiveness.
- Leveraging state-of-the-art systems and continuously training our highly skilled workforce.
- Maintaining the highest standards of efficiency, quality, and professionalism in every service we provide.

VISION

Our vision is to be the most trusted name in security and facility services in Bangladesh and beyond. We stay ahead of client needs by equipping our motivated professionals with the latest skills and competencies. We aim to sustain a thriving business by consistently exceeding client expectations.

CORE VALUES

- Integrity - We conduct business ethically and transparently.
- Excellence - We deliver unmatched quality through innovation and accountability.
- Responsiveness - We act with urgency to fulfill client needs.
- Partnership - We build collaborative relationships based on trust and respect.
- Stewardship - We manage company resources prudently for sustained growth.

"It takes leadership to improve safety."
Jackie Stewart
